- 5.1. Every Client of Eurotrade SA subject to the Eligibility criteria above is entitled to receive a bonus in the amount of 111% (one hundred eleven per cent) of the sum deposited to the Account (hereinafter the "**Bonus**").
- 5.2. This is a one-time bonus that cannot be credited to an Account that:
- a. has previously received bonuses of other types, including a 111% Bonus;
 - b. has trading operations; or

- c. if the Client has already received the 111% Bonus in his/her/their three (3) Accounts already.
- 5.3. Under these Terms, the maximum cumulative Bonus amount that can be earned is **twenty-two thousand and two hundred (22,200) EUR** per one (1) Account.
- 5.4. The Bonus will be generated in the same currency as that of the Account it is assigned to (EUR, USD, or GBP) and is based on the volume traded on forex CFDs (excluding CFDs on shares) and Metals.
- 5.5. Maximum leverage for the Accounts registered for participation in these Terms will depend on the Account type and will be assigned to the Client upon opening the Account.
- 5.6. The Bonus is a non-tradable bonus that will appear in the Client Dashboard, not the Client's Account. It will be only redeemable after the Client has completed the Bonus Trading Requirements, and upon such completion, it will be transferred to the Client's Account.
- 5.7. The Bonus is not able to be withdrawn until completion of the Bonus Trading Requirements. However, there is no limit on withdrawing the profits while the Bonus is enabled.
- 5.8. Profits withdrawn prior to completing the Bonus Trading Requirements will reduce the equivalent amount in withdrawn profits from the Bonus volume requirement that has been accrued to that point.
- 5.9. **The Bonus Trading Requirements:**
- ▶ For every four (4) USD/GBP/EUR of Bonus added to the Client's Account, the Client will be required to trade one (1) Lot;
 - ▶ Upon the completion of the above Bonus Trading Requirements, the Client will then be able to withdraw the Bonus from his/her/their Client Dashboard;
 - ▶ Lots will be applied only to the positions that are opened for more than three (3) minutes (the applied trading volume total will be available in the Client Dashboard).

Bonus Trading Requirements, Practical Example:

- ▶ The Client deposits one thousand (1000) EUR, one thousand and one hundred and ten (1110) EUR Bonus is added to the Client Dashboard (not able to be used for trading purposes);
- ▶ The Client will then complete one (1) lot for every four (4) EUR of the Bonus amount, in this case totalling two hundred seventy-seven and 50/100 (277.5) lots;

- ▶ Once the Client completes the two hundred seventy-seven and 50/100 (277.5) lots, the one thousand and one hundred and ten (1110) EUR Bonus will automatically be released from the Client Dashboard to the Client's Account.

Early withdrawal of profits, practical example:

- ▶ The Client has a one thousand and one hundred and ten (1110) EUR Bonus as per above, they have to date completed two hundred (200) lots, which have been traded on a combination of Forex and Metals;
- ▶ In this case, their accrued Bonus Trading Requirements have reached eight hundred (800) EUR (200 lots x 4 EUR);
- ▶ They have also accumulated a profit of eight hundred (800) EUR during this time. The Client has requested and completed a withdrawal of eight hundred (800) EUR of profits;
- ▶ This early profit withdrawal will now restart the Client's Bonus Trading Requirements as the profit withdrawn is subtracted from the Bonus Trading Requirements accrued to date.

(800 EUR or 200 lots of Bonus trading requirements accrued - 800 EUR early profits withdrawn = back to zero bonus requirements completed).

Re-deposit to Bonus trading account, practical example:

- ▶ The Client has a one thousand and one hundred and ten (1110) EUR Bonus as per above, they have to date completed two hundred (200) lots, which have been traded on a combination of Forex and Metals;
- ▶ In this case, their accrued Bonus Trading Requirements have reached eight hundred (800) EUR (200 lots x 4 EUR) for the Account they have deposited to;
- ▶ The Client now is requesting a re-deposit to his/her/their Account of eight hundred (800) EUR;
- ▶ This re-deposit will now impact both the Client's Bonus amount and his/her/their Bonus Trading Requirements;
- ▶ The 111% Bonus of the re-deposited amount of eight hundred (800) EUR will be added to the Client Dashboard Bonus, taking the Bonus amount from eight hundred and eighty-eight (888) EUR to one thousand and nine hundred and ninety-eight (1998) EUR;
- ▶ The re-deposited amount of eight hundred (800) EUR will also result in additional Bonus Trading Requirements, a further two

hundred (200) lots will be added two hundred seventy-seven and 50/100 (277.5) lots are required to achieve the new Bonus amount.

- 5.10. Eurotrade SA reserves the right to cancel the Bonus without prior notice. So, we strongly recommend that you refrain from factoring in the Bonus when calculating the profitability of your trading strategy.
